

Programming Guidelines

1. Programs must be free of all commercial content.
2. Programs may not contain copyrighted materials.
This includes most plays, television programs, motion pictures and music.
3. Programs should be either first or second generation. No copies of copies.
4. Programs cannot violate FCC regulations; example no slanderous or obscene material.
5. Preferred program lengths, but not restricted to, are 60 minutes, 30 minutes, 15 minutes and PSAs under 5 minutes.
6. Programs must be submitted on either in a usable digital format, such as mpeg2 and others.
7. Programs must be broadcast quality.
8. Programs with poor audio will not be aired.
9. Priority is given to locally produced programming.
10. PEGTV reserves the right to preview any programs.
11. Out-of-town productions must have a local presenter. Someone within Rutland County must appear in person to sign for your program.
